# Shipped Inventory

Once you have signed in you will be prompted to your home page. Here you will be able to view the items that currently have a “shipped” status.

Once the shipment has reached its destination, and the buyer has signed off on the product, you will be able to upload an image of the buyers signature to complete the transaction.

MIGHTYSTONE

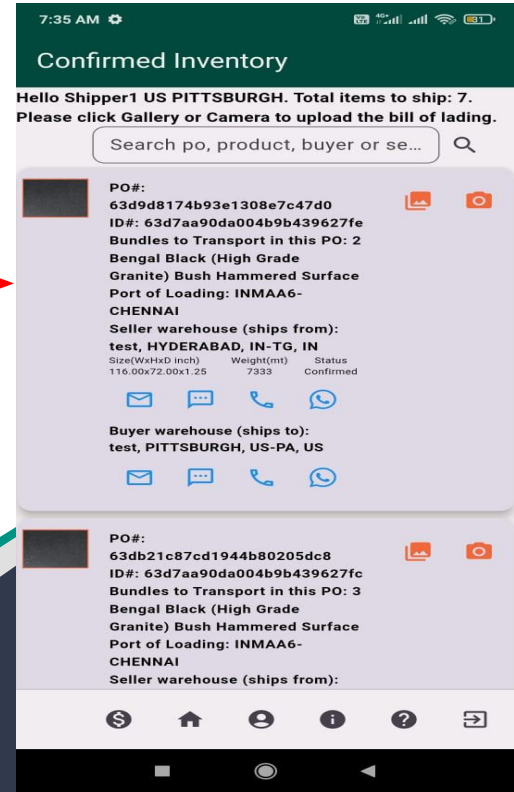

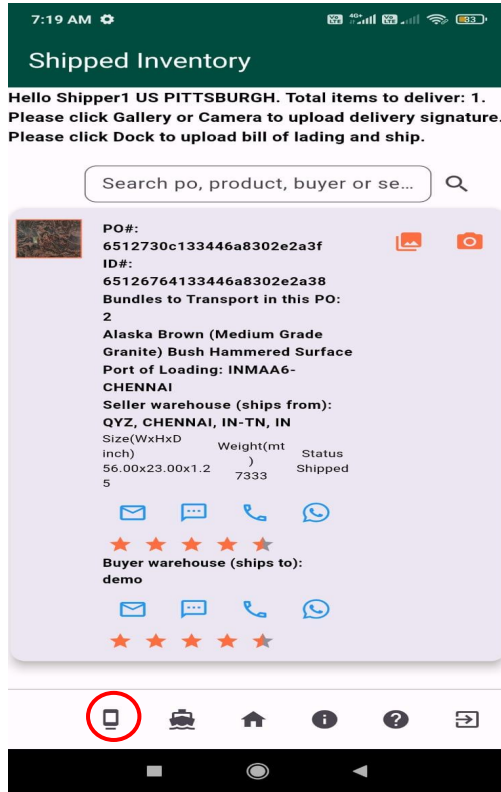

# Confirmed Inventory

When the product is “confirmed” for shipping, the seller and shipper will coordinate in order to get the product in containers and ready to ship.

When you as the shipper, are ready to ship the container, you will need to take a picture of the signed bill of lading and upload it. This will change the product’s status to “shipped.”

Click the  icon to do this.

The following slide has a detailed graphic regarding the process of uploading the bill of lading.
